CONTRACTING SNAPSHOT

JV Name	Mohawk Solutions JV	Lead Tribal Entity	Mohawk Networks, LLC
JV UEI / CAGE	SUS9C7EYRC68	Partner	SolutionsAe, Inc.
Status	Tribal 8(a) / HUBZone strength; JV approval to be confirmed	Primary Customer	Department of War: U.S. Army Corps of Engineers
Primary Focus	Construction, infrastructure, facilities, telecom, security, IT/cyber, logistics, environmental and emergency response	Point of Contact	William Hunt – Managing Member Dr. Ana Everett – Managing Member

RELEVANT PAST PERFORMANCE

Mohawk Networks, LLC

- U.S. Army Contracting Command: OSP/ISP construction and modification to expand fiber optic and analog copper infrastructure.
- USDA Rural Utilities Service Broadband Division: laid and maintains 80 miles of fiber supporting residents, businesses, and public services in Northern New York.
- Saint Regis Mohawk Tribe new construction: supported a \$13.3M project with 500+ CAT5 drops, 35 security cameras, and 12 access controls.
- IHS projects: Cisco phones, network refresh, IT backup, computers, laptops, smartboards, and phone upgrades.
- Saint Regis Mohawk Tribe: New Construction - Administration Building & Community Service Building: Engineered, installed, and maintain full-scale low-voltage infrastructure, including 500+ CAT5 drops, 50 security cameras, and 50+ access controls.
- DHS/CBP: Fire protection replacement, ALT/Repair/Replace 6000 sqft maintenance building dry fire protection system.
- FAA: FAA Mail & Distribution OKC Package tracking DOT/FAA OKC OKLAHOMA supported by AMP-300 Facilities Maintenance.
- Fixed Wireless Tower: Erected a 300' guard tower, expanding local broadcast and broadband wireless services to households beyond our fiber network.
- Saint Regis Mohawk Tribal Police Station Surveillance System Upgrade & Intersection Surveillance. Replaced outdated analog infrastructure with advanced IP cameras.

Solutions Ae, Inc.

- Construction and infrastructure support across construction, guardrail, transportation/logistics, IT, and community/economic development verticals.
- Roadway, highway, maintenance, staffing, training, and federal program support experience.
- Disaster preparedness, emergency response, logistics, commodities, environmental/remediation, and field coordination capabilities.
- Federal contracting experience including Army installation support, GSA 8(a) STARS III, transportation/logistics, and FEMA-related training support.

REPRESENTATIVE NAICS CODES

- 237310 Highway, Street, and Bridge Construction
- 561210 Facilities Support Services
- 484110 General Freight Trucking, Local
- 517112 Wireless Telecommunications Carriers
- 541512 Computer Systems Design Services
- 541611 Administrative Management and General Management Consulting Services
- 238210 Electrical Contractors and Other Wiring Installation Contractors
- 562910 Remediation Services
- 517111 Wired Telecommunications Carriers
- 517810 / 517919 All Other Telecommunications
- 541519 Other Computer Related Services
- 541990 Other Professional, Scientific, and Technical Services
- 238220 Plumbing, Heating, and Air-Conditioning Contractors
- 561110 Office Administrative Services (Records Management)

WHY MOHAWK SOLUTIONS JV FOR USACE

Streamlined Acquisition

Tribal 8(a) pathway supports efficient mission delivery while maintaining compliance with SBA, FAR, and contracting officer requirements.

Integrated Delivery

Combines construction, electrical, telecom, security, IT/cyber, logistics, environmental, and facilities capabilities under one coordinated JV.

Mission Readiness

Built for civil works, MILCON, installation support, disaster response, critical infrastructure, and resilient communications requirements.
